The Borrower shall pay all reasonable and necessary fees and expenses incurred with respect to such amendment. The Borrower, the Issuer and where applicable, the Trustee per written instructions from the Issuer shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including, without limitation, an amendment to the Regulatory Agreement or the Tax Certificate, necessary to effectuate the intent of this Section, and the Borrower and the Issuer hereby appoint the Trustee as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Bond Counsel) if the Borrower or the Issuer defaults in the performance of its obligation under this Section; provided, however, that the Trustee shall take no action under this Section without first notifying the Borrower or the Issuer, as is applicable, of its intention to take such action and providing the Borrower or the Issuer, as is applicable, a reasonable opportunity to comply with the requirements of this Section.

sinking fund redemption or by acceleration or otherwise, (ii) all amounts required to be paid under the Notes, including, but not limited to, all amounts due to the Replacement Reserve Fund and the Escrow Fund, and (iii) all fees, expenses and indemnification (including reasonable counsel fees on any and all tribunal levels), without duplication, of the Issuer, the Servicer, the Financial Monitor, the Rebate Analyst, the Financial Advisor, Bond Counsel, counsel for the Issuer, the Trustee and Counsel to the Trustee (including extraordinary expenses of the Trustee) provided for in this Agreement or in the Indenture, including the Issuer Fee and the Trustee Fee.

(d) Subject to Section 8.12, the obligation of the Borrower to make any payments required to be made under this Agreement (including, but not limited to, payments due by reason of acceleration of the Borrower's obligations hereunder pursuant to ARTICLE VII and obligations of the Borrower under ARTICLE VI) and under the Notes shall be absolute and unconditional and shall not be subject to offset, abatement, diminution, postponement or deduction, or to any defense other than payment, or to any right of setoff, counterclaim or recoupment arising out of any breach under the Loan Documents or the Indenture or otherwise by the Issuer, the Trustee, any Owner of Bonds or any other person, or out of any obligation or liability at any time owing to the Borrower by any of the foregoing. Nothing herein contained, however, shall be interpreted to abridge the right of the Borrower to seek judicial remedy for any breach of covenant of contract in a separate legal proceeding.

Section 4.02. Loan and Other Payments.

(a) The Borrower shall pay hereunder to the Trustee for deposit into the appropriate funds and accounts under the Indenture the amounts at the times required by the Notes and this Agreement. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds, provided, however, that the Borrower shall not be responsible for any costs associated with any securitization of the Bonds including, without limitation, any costs associated with receiving a rating on the Bonds. In furtherance of the foregoing, the Borrower shall pay to the Trustee on the fifteenth day of each month the following amounts:

(i) Commencing January 15, 2016, and on the 15th day of each month thereafter, the interest due on the next succeeding Interest Payment Date, plus any interest due on the Bonds which was not previously paid because insufficient moneys were held under the Indenture; and

(ii) Commencing on January 15, 2018, and on the 15th day of each month thereafter, the principal due on the Series B-1 Bonds on the next succeeding Interest Payment Date through redemption under Section 4.01 of the Indenture or at maturity, net of allowance for any additional amounts on deposit in the Principal Account of the Bond Fund or the Redemption Fund which are available for the payment of principal on the Bonds plus any principal due on the Bonds which was not previously paid because insufficient moneys were held under the Indenture.

(b) In addition to other amounts due under this Agreement, the Borrower shall pay on the fifteenth day of each month to the Trustee the following amounts:

(i) Commencing on January 15, 2016, one-twelfth of the Replacement Reserve Fund Requirement;

(ii) Commencing on January 15, 2016, (a) 1/12th of the Administrative Expenses (taking into account the annual amount of such Administrative Expenses if payable on a semiannual basis), applying amounts on deposit in the Administrative Expense Account for this purpose as a credit toward each monthly payment, and (b) to the extent incurred in accordance with the Indenture and this Agreement, any expenses of the Trustee or the Issuer for extraordinary services, including, but not limited to, the payment obligations of the Borrower pursuant to Section 4.13 and Section 5.03; and

(iii) Commencing on January 15, 2016, (a) an amount equal to a portion of the premiums for required insurance due determined as of the first monthly payment of such payment period by multiplying such insurance premium by a fraction, the numerator of which is one and the denominator of which is the number of monthly payments due prior to the next payment date of such insurance premium less any amounts on deposit in the Escrow Fund and available for such purpose; provided, however, that the last monthly payment of such payment period shall be adjusted to reflect the actual insurance premium due and (b) an amount equal to a portion of the annual non-exempt real estate taxes for the Project to come due in each year determined as of the first monthly payment of such payment period by multiplying the prior year's tax bills by a fraction, the numerator of which is one and the denominator of which is the number of monthly payments due prior to the next payment date (assuming payment by January 15 of each year) of the annual real estate taxes for the Property less any amounts on deposit in the Escrow Fund and available for such purpose; provided, however, that the last monthly payment of each payment period shall be adjusted to reflect the actual real estate taxes due.

Such monthly payments shall be appropriately adjusted for a short or long first payment period so that each monthly payment is equal. In all cases the last such monthly payment before a payment date shall be sufficient to pay the amount due and payable on such payment date. The Borrower shall provide to the Trustee by January 1 of each year the tax bills for the prior year's real estate taxes on the Property and shall provide to the Trustee and the Financial Monitor at least one week prior to the last monthly payment of each payment period, the invoices for the insurance premium to be paid on the next payment date.

(c) In addition to the foregoing required payments, the Borrower shall pay an amount equal to the Cash Flow Deficiency in immediately available funds within three Business Days of receipt by the Borrower of notice from the Trustee, all as provided in Section 5.02(a)(i)(A) of the Indenture.

(d) Any amount payable under this Section 4.02 and not paid within five days of the stated due date shall bear interest at the Default Rate.

(e) Unless the terms of Section 7.05 and Section 5.02(b) of the Indenture shall be in effect, the Borrower may first pay Operating Expenses before making payments due under this Section.

All payments made by the Borrower hereunder or by the Borrower under the other Loan Documents shall be made irrespective of, and without any deduction for, any setoffs or counterclaims, but such payment shall not constitute a waiver of any such set offs or counterclaims.

Section 4.03. [Reserved].

Section 4.04. Prepayment Generally.

(a) No prepayment of the Loan, in whole or in part, may be made except as provided in Section 4.05 and Section 4.06; and

(b) Upon receipt of written notice that a deposit is being made for the purpose of prepaying the Loan and thereby effecting the redemption of the Bonds, the Trustee shall take such steps as may be required under the Indenture to accomplish the redemption of the Bonds under the redemption provisions of the Indenture.

Section 4.05. Optional Prepayment of Loan; Concurrent Bond Redemption.

(a) The portion of the Loan made from proceeds of the Series B-1 Bonds is subject to prepayment on or after January 1, 2030, and the portion of the Loan made from proceeds of the Series B-2 Bonds is subject to prepayment without premium or penalty at any time on or after April 1, 2016, in order to effect the redemption of the related Series of Bonds, as applicable, under Section 4.02 of the Indenture at the option of the Borrower, in whole or in part at the times and at the redemption prices as set forth in Section 4.02 of the Indenture plus interest accrued and unpaid to the redemption date of the Bonds. The consent of the Significant Bondholder is required only with respect to a redemption, in whole or in part, of the Series B-1 Bonds, and shall be given so long as the Borrower has complied with the applicable provisions of the Notes with respect to such prepayment. The consent of the Significant Bondholder is not required for the prepayment of the portion of the Loan funded with the Series B-1 Bonds on or after January 1, 2030, and the consent of the Significant Bondholder is not required for the redemption in whole of the Series B-2 Bonds on or after April 1, 2016, provided in either case, Borrower shall have provided Trustee and Significant Bondholder at least ten (10) days prior written notice of the prepayment and redemption of the Series B-2 Bonds. The Loan is not otherwise subject to optional prepayment by the Borrower.

(b) To effect optional prepayment of the Loan and redemption of the Bonds as contemplated in subparagraph (a) above, the Borrower shall deliver to the Trustee, at least five days prior to the date on which notice of prepayment of the Bonds is required to be sent to Owners specifying the date on which Bonds are subject to redemption under

said Section, a written certificate of the Borrower stating that the Borrower is prepaying the Loan pursuant to this Section 4.05, which notice may state that such prepayment may be conditioned upon the Trustee's receipt of moneys sufficient to effect such prepayment. The certificate from the Borrower shall certify the following: (i) the principal amount of the Loan to be prepaid, (ii) that the amount to be prepaid on the Loan shall be credited to redemption of the Bonds by the Trustee pursuant to Section 4.02 of the Indenture, and (iii) the date for redemption of the Bonds.

Section 4.06. Mandatory Prepayment of Loan. The Loan shall be prepaid in whole or in part to the extent necessary to effect the mandatory redemption of the Bonds at the times and in the amounts specified in Sections 4.01, 4.03, 4.04, and 4.05 of the Indenture.

Section 4.07. Amounts Required for Prepayment.

(a) The amount payable by the Borrower hereunder upon the exercise of the option granted to the Borrower in Section 4.05, or mandatory prepayment as provided in Section 4.06, shall be, to the extent applicable and except as otherwise provided, as follows:

(i) The amount of money necessary to pay the redemption price of the Bonds to be redeemed specified in Section 4.02 of the Indenture in the case of optional redemption and Sections 4.03, 4.04 and 4.05 of the Indenture in the case of mandatory redemption, together with all interest specified therein payable up to and including said redemption date and all expenses of the redemption; plus

(ii) In the event of a redemption in whole, an amount of money, without duplication, equal to the Trustee Fee, the Issuer Fee, the Servicer Fee, the Financial Monitor Fee, Administrative Expenses and other expenses under the Indenture accrued and to accrue until the final payment and redemption of the Bonds; less

(iii) A credit for amounts otherwise available under the Indenture for payment of the principal of, or premium, if any, or interest on, the Bonds to be redeemed.

(b) Any prepayment made pursuant to Section 4.05 or Section 4.06 shall be deposited into the Redemption Fund.

Section 4.08. [Reserved].

Section 4.09. [Reserved].

Section 4.10. Assignments to Trustee. It is understood and agreed that all right, title and interest of the Issuer in and to this Agreement (except for the Unassigned Issuer Rights), the Notes and the Mortgage are to be pledged and assigned by the Issuer to the Trustee as security for the Bonds under and pursuant to the Indenture. The Borrower consents to such pledge and assignment. The Issuer hereby directs the Borrower, and the Borrower agrees, to pay or cause to

be paid to the Trustee at its designated corporate trust office all payments on the Loan pursuant to this Agreement and the Notes.

Section 4.11. Trustee Fee. The Borrower hereby agrees to pay to the Trustee, in addition to the amounts payable hereunder, the Trustee Fee required to be paid pursuant to the Indenture, as provided in Section 4.01(c).

Section 4.12. Usury.

(a) Notwithstanding any provision of this Agreement or the Notes to the contrary, it is hereby agreed by and between the Issuer and the Borrower that in no event shall the interest contracted for, charged or received in connection with the Loan made hereunder (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Agreement or the Notes) exceed the maximum rate of interest allowed under the laws of the State as presently in effect and to the extent an increase is allowable by such laws, but in no event shall any amount ever be paid or payable by the Borrower greater than the amount contracted for herein; and in the event the maturity of the Loan is accelerated pursuant to ARTICLE VII, or prepaid in accordance with the provisions hereof requiring mandatory prepayment, then such amounts that constitute payments of interest on the Loan, together with any costs or considerations which constitute interest under the laws of the State, may never exceed an amount which would result in payment of interest at a rate in excess of the maximum interest allowed by the laws of the State or the United States to the extent applicable, as presently in effect and to the extent an increase is allowable by such laws; and excess interest, if any, provided for in this Agreement or the Notes, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as payment of principal on the Loan.

(b) To the extent permitted by law, interest contracted for, charged or received on the Loan shall be allocated over the entire term of the Loan to the end that interest paid on the Loan does not exceed the maximum amount permitted to be paid thereon by law.

Section 4.13. Payment of Fees. Borrower covenants to pay all third-party fees of the financing, including but not limited to the following:

(a) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental Issuer of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or

contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee;

(b) All reasonable fees, charges and expenses of the Trustee for services rendered under the Indenture, as and when the same become due and payable;

(c) The annual fee of the Issuer, payable as set forth in Section 20 of the Regulatory Agreement, and the reasonable fees and expenses of the Issuer or any agents, attorneys, accountants, consultants selected by the Issuer to act on its behalf in connection with this Loan Agreement, the Regulatory Agreement, the Loan Documents, the Bonds or the Indenture, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bonds or in connection with any litigation which may at any time be instituted involving this Loan Agreement, the Regulatory Agreement, the Loan Agreement, the Loan Documents, the Bonds or the Indenture or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing, or any compliance services fees.

(d) These obligations and those in Section 6.01 shall remain valid and in effect notwithstanding repayment of the Loan hereunder or termination of this Loan Agreement or the Indenture.

Section 4.14. Right to Purchase Bonds in Lieu of Redemption.

(a) If the Bonds are called for optional redemption in whole pursuant to Section 4.02 of the Indenture or mandatory redemption in whole pursuant to Section 4.04(a) of the Indenture (other than redemptions pursuant to Section 4.04(a)(iv)), or mandatory redemption in whole pursuant to Section 4.05 of the Indenture, the Borrower may elect in writing to cause the purchase of Bonds in lieu of redemption, pursuant to Section 4.09 of the Indenture. If the Borrower so elects, the Borrower shall send a notice of such election to purchase in lieu of redemption of the Bonds to the Trustee no later than 10 days prior to the date scheduled for redemption accompanied by a Favorable Opinion of Bond Counsel addressed to the Issuer and the Trustee. Upon the exercise by the Borrower to purchase the Bonds so called for redemption (the "Borrower's Purchase Option") such Bonds shall be purchased in lieu of redemption as provided in Section 4.09 of the Indenture from moneys to be made available by the Borrower and accompanied by written instructions from the Borrower as to the source and application of such moneys. The Borrower's Purchase Option shall be exercised by:

(i) The Borrower causing the deposit with the Trustee, prior to 10:00 p.m. New York, New York time, on the Bond Payment Date set forth in the notice of redemption sent by the Trustee for redemption of the Bonds (the "Purchase Date"), an amount (the "Purchase Amount") equal to the sum of:

(A) The full Outstanding principal amount of the Purchased Bonds,

- (B) Interest on such principal amount to the Purchase Date, and
- (C) Redemption premium, if any; and

(ii) The Borrower certifying to the Trustee that the funds deposited with the Trustee pursuant to Section 4.09 of the Indenture are to be applied to the purchase of the Purchased Bonds in lieu of their redemption as provided in Section 4.09 of the Indenture.

Prior to disbursement to pay the Purchase Amount, the Purchase Amount may be invested by the Trustee in Eligible Investments at the direction and for the benefit of the Borrower. Any Bond that is not surrendered to the Trustee for purchase on or before the Purchase Date (an “Undelivered Bond”) shall be deemed to have been purchased on such date. Owners of Undelivered Bonds shall have no rights or benefits under the Indenture with respect to such Bonds other than to receive the Purchase Amount for such Bonds upon surrender of such Bonds to the Trustee. Such undelivered Bonds shall cease to accrue interest from and after the Purchase Date.

(b) The purchase of Bonds pursuant to Section 4.09 of the Indenture shall not constitute a merger or extinguishment of the indebtedness of the Borrower represented by the Loan or the Bonds so purchased and such Bonds and the Loan shall for all purposes be regarded as Outstanding hereunder and under the Indenture, except that (i) during the period such Purchased Bonds are held by the Borrower, payments of principal and interest on Purchased Bonds shall be subordinate to payments of principal and interest on Bonds which are not Purchased Bonds, (ii) in determining whether the Owners of a requisite aggregate principal amount of Outstanding Bonds have concurred in any request, demand, authorization, direction, notice, consent or waiver under the provisions of the Indenture, Purchased Bonds shall be disregarded and deemed not to be Outstanding under the Indenture for the purpose of any such determination unless all Bonds are Purchased Bonds, and (iii) as may otherwise be expressly provided in the Indenture.

ARTICLE V THE PROJECT

Section 5.01. Payment of Project Costs. If the moneys available from the proceeds of the sale of the Bonds and investment income thereon shall not be sufficient to pay the Project Costs in full, the Borrower shall pay from the Subordinate Loans, the Borrower Contribution and, to the extent necessary, its own funds all of that portion of the Project Costs in excess of the moneys available therefor from the sale of the Bonds and investment income thereon. The Issuer does not make any warranty, either express or implied, that the moneys from the proceeds of the Bonds will be sufficient to pay the Project Costs. In the event the Borrower shall pay from its own funds any portion of the Project Costs pursuant to the provisions of this Section 5.01, it shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the Owners of any of the Bonds, nor shall it be entitled to any diminution in or postponement of the payments required to be paid by the Borrower under this Agreement.

Section 5.02. Permits and Licenses. The Borrower covenants and agrees that in the operation of the Project it will comply with all currently applicable federal, State and local statutes, laws, lawful ordinances, building codes, and regulations applicable to the Project.

Section 5.03. Payment for Extraordinary Services.

(a) The Borrower hereby covenants and agrees to pay all extraordinary costs, fees and expenses of the Financial Monitor and the Servicer incurred in connection with the Bonds.

(b) If, upon or after the occurrence of any default hereunder that remains uncured past the time provided for cure herein, the Issuer, the Trustee or the Owners (but only to the extent permitted under Article VIII of the Indenture) shall employ attorneys or incur other fees or expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will within 10 days of receiving written demand therefor pay or reimburse the Issuer, the Trustee or the Owners, as the case may be, for the reasonable fees of such attorneys and such other expenses so incurred.

Section 5.04. Damage or Destruction or Condemnation. If the Project shall be damaged or destroyed or is taken by condemnation (in whole or in part) at any time subsequent to the Project Completion Date while any of the Bonds are Outstanding, the Borrower shall, subject to the terms of the Mortgage, reconstruct the Project to its condition prior to such loss or damage, provided the net proceeds of the insurance or of the award received as a consequence of such damage or destruction or condemnation, together with any other money available for such purpose (including money contributed by Borrower), are sufficient to pay the cost of such reconstruction. Proceeds that exceed \$10,000 shall be deposited in the Insurance and Condemnation Proceeds Fund and expended as provided in Sections 6.04 or 4.04, as applicable, of the Indenture. If the net proceeds of the insurance or of the award received as a consequence of such damage destruction, or condemnation, together with other available money for such purpose (including money contributed by Borrower), are insufficient to repair and restore the Project, the Borrower shall immediately notify in writing the Financial Monitor and the Trustee.

Section 5.05. Financial Monitor. In the event the Financial Monitor is removed or has resigned, the Trustee shall appoint a successor Financial Monitor at the direction of the Significant Bondholder and in the absence of such direction, an entity experienced in affordable multifamily financial monitoring selected by the Owners of a majority in principal amount of Outstanding Bonds shall be so appointed. The Issuer does not employ and is not responsible for any actions or non-actions of the Financial Monitor.

Section 5.06. Management of Project. The Borrower will at all times cause the Project to be managed and operated by the Project Manager or another independent Project manager and it will give written notice to the Significant Bondholder and each Owner requesting the same at the address supplied to the Trustee by such Owner or its authorized representative and the Financial Monitor prior to changing the Project Manager and prior to making any material changes or modifications to any operation or management agreement between the Borrower and the Project Manager. The Borrower shall obtain the written approval of the Significant

Bondholder, if any, and the Financial Monitor prior to the employment of a new Project Manager which approval shall not be unreasonably withheld, conditioned or delayed. The Significant Bondholder and the Financial Monitor shall have the right to remove the Project Manager in the event an uncured event of default by the Project Manager has occurred under the Property Management Agreement and the Borrower has failed to remove the Project Manager in a reasonable time after the occurrence of the uncured event of default under the Property Management Agreement by the Project Manager. The Issuer does not employ and is not responsible for any actions or non-actions of the Project Manager.

Section 5.07. Draws on Project Fund. The Borrower acknowledges that the Trustee, pursuant to Section 6.02(d) of the Indenture, will not disburse moneys from the Project Fund unless the Servicer has approved a disbursement request, which approval may not be unreasonably withheld, conditioned or delayed.

Section 5.08. Application of Project Revenues.

(a) Project Revenues. The Borrower understands, acknowledges and agrees that the Project Revenues shall be deposited and applied as provided for herein and in the Indenture, including without limitation, Section 5.02 thereof with respect to amounts required to be deposited in the Bond Fund. For purposes of clarifying (and without limiting) the foregoing, Project Revenues shall be deposited and applied so as to achieve payments in the following order of priority:

- (i) Payment of Operating Expenses;
- (ii) Payment of Administrative Expenses;
- (iii) [reserved];
- (iv) Payment of interest and scheduled mandatory sinking fund installments on the Senior Bonds; and
- (v) Payment of interest and scheduled mandatory sinking fund installments on the Series B-2 Bonds.

Section 5.09. Reporting Requirements. The Borrower shall keep proper books of record and account in which full, true and correct entries will be made of all dealings or transactions of or in relation to the business and affairs of the Borrower in accordance with generally accepted accounting principles consistently applied, and will furnish to the Trustee (as to (a) and (c) only), the Issuer (upon its written request), the Financial Monitor, the Significant Bondholder and each Owner requesting the same (at the address supplied to the Trustee by such Owner or its authorized representative):

(a) *Annual Financial Statements and Tax Returns.* As soon as available, and in any event within 120 days after the close of each Fiscal Year (with respect to (i) through (iii)), (i) the complete audited financial statements of the Borrower including the balance sheet as of the end of such Fiscal Year and the related statements of revenues and expenses and changes in financial position for such Fiscal Year, setting forth in each

case in comparative form the corresponding figures for the preceding Fiscal Year, all in reasonable detail, certified by an independent certified public accountant as having been prepared in accordance with generally accepted accounting principles, consistently applied; (ii) [reserved]; (iii) a statement by the accountants certifying the financial statements that such accountant has no knowledge insofar as it relates to accounting matters, except as specifically stated, of any Event of Default; and (iv) the Borrower's federal tax returns for the Fiscal Year within 30 days of filing of the federal tax returns. The annual financial statements shall be prepared in accordance with generally accepted accounting principles applied on a basis consistent with prior years (except as otherwise specified in such report).

(b) [Reserved].

(c) *Certificate of Compliance.* Simultaneously with the delivery of each set of financial statements referred to in (a) above, a certificate of the Borrower signed by the Authorized Representative stating that (i) the Borrower has made a review of its activities during the preceding annual or quarterly period, as the case may be, for the purpose of determining whether or not the Borrower has complied with all of the terms, provisions and conditions of the Loan Documents and (ii) to the best knowledge of the Authorized Representative, the Borrower is not in default in the performance or observance of any of the terms, covenants, provisions or conditions of any of the Loan Documents, or if the Borrower shall be in default, such certificate shall specify each such default, the nature and status thereof and any remedial steps taken or proposed to correct each such default.

(d) [Reserved].

(e) *Other Information.* Such other information respecting the business, properties or the condition or operations, financial or otherwise, of the Borrower as the Financial Monitor, the Issuer or any Owner of more than 5% of Bonds Outstanding may from time to time reasonably request.

(f) *Litigation.* Annually, written notice of all actions, suits and proceedings before any court or governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign, against the Borrower or the Project.

Notwithstanding the foregoing provisions of this Section 5.09, the Borrower shall comply with the reporting requirements set forth in the Regulatory Agreement and Section 2.07.

Section 5.10. Operating Budget.

(a) Commencing January 1, 2016, not later than the beginning of each Fiscal Year the Borrower shall prepare or cause to be prepared an annual Operating Budget with respect to the Project for the ensuing Fiscal Year. Such Operating Budget shall set forth in reasonable detail the estimated Project Revenues, Operating Expenses, and Capital Expenditures from the Replacement Reserve Fund for the Project for such Fiscal Year and the estimated investment income and estimated amounts to be deposited in and withdrawn from (and the purposes for such withdrawals) the Escrow Fund, Replacement Reserve Fund and Administrative Expense Account under the Indenture. The Borrower

may at any time adopt an amended Operating Budget for the remainder of the then current Fiscal Year. Copies of the Operating Budget and of any amended Operating Budget shall be filed no later than June 15th of the year preceding such Fiscal Year with the Trustee, the Issuer (at its written request), the Financial Monitor, the Significant Bondholder, if any, and each Owner requesting the same (at the address supplied to the Trustee by such Owner or its authorized representative).

(b) The Operating Budget or amended Operating Budget to be adopted by the Borrower shall provide for monthly deposits into the funds and accounts in the amounts required under Section 5.02(a) or (b) of the Indenture, as applicable. The Operating Budget shall contain an estimate of the taxes (if any), assessments (if any) and insurance premiums next coming due with respect to the Project, and such estimate shall not be less than the respective amounts most recently having come due with respect to such taxes, assessments and insurance premiums, unless the Borrower shall have competent evidence that there is to be a decrease in such taxes, assessments and insurance premiums.

(c) If for any reason the Borrower shall not have adopted the Operating Budget for a Fiscal Year before the first day of such Fiscal Year, the Operating Budget for the preceding year, with each line item thereof increased by 3%, shall be deemed to have been adopted and be in effect for such Fiscal Year until the Operating Budget for such Fiscal Year is adopted and a copy thereof filed with the Trustee and the Financial Monitor.

(d) [Reserved].

(e) [Reserved].

Section 5.11. [Reserved].

Section 5.12. [Reserved].

Section 5.13. Taxes, Assessments and Other Charges. The Borrower shall pay or cause to be paid all taxes, assessments and charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Project (including ad valorem, sales and excise taxes, assessments and charges upon the Borrower's interest in the Project), all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project and all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project. Notwithstanding the provisions of this Section 5.13, if no Event of Default exists, the Borrower at its own expense may contest in good faith any such tax, assessment or charge, provided that, during the period of such contest or appeal therefrom, the failure to have paid such tax, assessment or charge does not adversely affect the lien of the Mortgage, adversely affect the excludability of interest on the Bonds for federal income tax purposes, cause any event of default under the Indenture or any of the Loan Documents, endanger such lien on the Project or any portion thereof or subject the Project to loss or forfeiture, in which event the Borrower shall promptly take such action with respect thereto as shall be necessary and satisfactory to the Significant Bondholder, if any.

Section 5.14. Project Insurance.

(a) The Borrower covenants that it will carry and maintain or cause to be carried and maintained, and pay, or cause to be paid, the premiums for at least the following insurance with respect to the Project and such other insurance as the Significant Bondholder and the Financial Monitor may reasonably request covering risks as are customarily insured against in connection with the operation of facilities comparable in size and scope of services to the Project at the time plus law and ordinance insurance in an amount of at least \$250,000 (or property insurance covering increased cost due to law and ordinance):

(i) Insurance against loss or damage from fire, lightning, windstorm, hurricane, hail, seismic event, explosion (but not including "Act of War"), terrorism, riot, riot attending a strike, civil commotion, aircraft, vehicles, smoke, vandalism and malicious mischief insurance in an amount not less than the full replacement cost of the Project;

(ii) Insurance coverage of boilers, pressure vessels, auxiliary piping and selected machinery objects (pumps and compressors), in an amount not less than the replacement value of such property;

(iii) Commercial general liability insurance, in the minimum amounts of \$1,000,000 for each occurrence with a general aggregate limit of \$2,000,000;

(iv) Comprehensive automobile liability insurance in the minimum amount of \$1,000,000 for each accident for bodily injury and property damage combined if the Borrower shall own or operate any automobiles or other vehicles;

(v) Workers' compensation coverage and any other similar type of insurance required by the laws of the State;

(vi) Fidelity bonds in a minimum amount of \$100,000 (or crime and employee dishonesty coverage in the amount of \$100,000) on the Project Manager and all officers and employees of the Borrower and the Project Manager who have access to or custody of revenues, receipts or income from the Project or any funds of the Borrower;

(vii) Business income including extra expense insurance, covering loss of revenues by reason of the total or partial suspension of, or interruption in, the operation of the Project caused by the damage to or destruction of any part of the Project, with such exceptions as are customarily imposed by insurers covering a period of suspension or interruption and in such amount as will provide revenues equal to the Maximum Annual Debt Service for the Bonds together with the amount required to pay necessary Operating Expenses for the ensuing 12 months;

(viii) Commercial umbrella liability insurance with minimum annual limits of \$10,000,000; and

(ix) Flood insurance, for the applicable portion of the Project if the Borrower shall not have provided a certification that each portion of the Project is

not located in a 100-year flood plain. Such insurance shall at a minimum comply with Federal Emergency Management Agency coverage requirements and provide coverage in an amount equal to the lesser of the outstanding Loan amount or the maximum coverage available under the National Flood Insurance Program (“NFIP”). Although none of the Project may not now be included in a special flood hazard area or the governing municipality may not participate in the NFIP, Borrower acknowledges and agrees that it will provide such insurance within 45 days following notice from the Servicer that any portion of the Project has been included in a special flood hazard area or the governing municipality does then participate in the NFIP. The Servicer may obtain flood insurance and the Borrower acknowledges that such insurance will be much more expensive than that obtainable by the Borrower and may not provide certain protections for the Borrower, such as contents or liability coverages.

(b) All insurance policies (other than flood insurance) issued or renewed after the initial issuance and delivery of the Bonds shall be taken out and maintained with companies that have a financial strength rating of “A-” or higher from A.M. Best. If the financial strength rating of any insurance provider falls below “A-,” the Borrower shall promptly obtain a replacement policy with a provider meeting the rating requirements herein contained. All policies of insurance required by the terms of this Agreement shall contain an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of the Borrower, which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights of setoff, counterclaim or deductions against the Borrower. All such policies (other than workers’ compensation) shall name the Issuer, the Trustee and the Significant Bondholder (initially America First Multifamily Investors, L.P.) as additional insureds, as their respective interests may appear, and shall have attached thereto a lender’s loss payable endorsement for the benefit of the Trustee, which endorsement indicates that all insurance proceeds are payable directly to the Trustee.

(c) The Borrower shall furnish the Trustee and the Servicer with certifications of all policies of required insurance. The Borrower shall file with the Trustee annually on or about the anniversary date of such policy or policies, a certificate of the Borrower to the effect that all insurance coverages required to be maintained hereunder are in effect and of full force and effect. The Trustee shall be entitled to rely upon said Borrower certificate as to the Borrower’s compliance with the insurance requirements without further inquiry. The Trustee makes no representation as to and shall have no responsibility for the sufficiency or adequacy of the insurance or the issuing insurer. All policies shall require at least 30 days’ prior written notification to the Borrower and the Trustee of modification, cancellation or termination in coverage and shall provide that no property claims shall be paid thereunder without at least 10 days’ prior written notice to the Trustee. Within 30 days prior to the expiration or cancellation of any policy, the Borrower will furnish or cause to be furnished to the Servicer satisfactory evidence of the continuance or replacement of such coverage under the requirements of this Agreement. The Borrower shall immediately give written notice to the Trustee and the Servicer and

the Financial Monitor of any notice received by the Borrower of any expiration, cancellation or modification of, or material reduction of coverage under, any such policy.

(d) The Borrower may take out separate insurance concurrent in form or contributing in the event of loss with that required in this Section; provided that the Borrower shall immediately notify the Trustee whenever any such separate insurance is taken out. No such separate or additional policies of insurance shall reduce the insurance coverage required hereunder to be maintained.

(e) In the event the Borrower fails to take out or maintain the full insurance coverage required under this Section, the Trustee, after first notifying the Borrower, may (but shall not be obligated to) take out the required policies of insurance and pay the premiums on the same and the costs thereof so advanced shall be paid promptly by the Borrower from any available moneys upon the Trustee's presentation to the Borrower of statements or invoices evidencing same, together with interest thereon to the date of payment as provided herein.

(f) The risk of loss or of decrease in the enjoyment and beneficial use of the Project in consequence of the damage or destruction thereof by fire, the elements, casualties, thefts, terrorism, riots, civil strife, war, nuclear explosion, or otherwise, or in consequence of foreclosures, attachments, levies or executions, is expressly assumed by the Borrower, and the Borrower agrees that the Issuer and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Borrower to any abatement or diminution of its obligations hereunder.

(g) The Borrower agrees to furnish to the Trustee or Servicer, on January 1 of each year commencing January 1, 2016, reports on each existing insurance policy showing such information as the Trustee, the Financial Monitor, or the Servicer may reasonably request, including, without limitation, the following: (i) the name of the insurer, (ii) the risks insured, (iii) the amount of the policy, (iv) the properties insured, (v) then current property values on the basis of which insurance has been obtained, and the manner of determining those values, (vi) the expiration date of the policy, and (vii) a certification that all insurance policies are in effect and the Borrower is in compliance with this Section 5.14.

Section 5.15. Successor Servicer. In the event the Servicer is removed or has resigned, the Trustee shall appoint a successor Servicer at the direction of the Significant Bondholder and in the absence of such direction, an entity selected by the Owners of a majority in principal amount of Outstanding Bonds shall be so appointed.

Section 5.16. Project Condition Report; Alterations to Project.

(a) Beginning on December 1, 2025, and continuing every tenth year anniversary thereafter, the Borrower covenants and agrees to provide a Project Condition Report to the Financial Monitor, the Servicer, the Issuer and the Significant Bondholder and each Owner requesting the same at the address supplied to the Trustee by such Owner or its authorized representative. The Servicer shall review the Project Condition

Report, and, based on the Project Condition Report, shall determine the adequacy of the then current Replacement Reserve Requirement and specify an increase or decrease as necessary in the Replacement Reserve Requirement to commence on the fifteenth (15th) of the month next following such Project Condition Report, provided that in no case shall the Replacement Reserve Requirement be less than \$300 per year, per unit. The Servicer shall send written notice after each Project Condition Report to the Significant Bondholder and each Owner requesting the same at the address supplied to the Trustee by such Owner or its authorized representative, setting forth the Servicer's determination as to the adequacy of the then current Replacement Reserve Requirement. Unless the Significant Bondholder, if any, objects to the determination of the Replacement Reserve Requirement within 14 Business Days of receipt of such notice, the Servicer shall notify the Trustee of the Replacement Reserve Requirement. In the event that the Significant Bondholder, if any, objects to such determination, it shall provide to the Servicer in writing, within 14 Business Days of receipt of the Servicer's notice, its objection and its determination of the Replacement Reserve Requirement (subject to the above limitations) based on such Project Condition Report and the Servicer shall immediately notify the Trustee of the revised Replacement Reserve Requirement in accordance with the Significant Bondholder's determination.

(b) The Borrower shall be entitled to withdraw or to direct the application of funds held by the Trustee in the Replacement Reserve Fund under the Indenture to pay for or reimburse the Borrower for (i) costs of capital improvements and replacements for the Project, and (ii) for costs of capital improvements, replacements and maintenance for the Project, as recommended in the Project Condition Report, provided that, Borrower shall submit a requisition therefor to the Trustee, with the approval of the Servicer, accompanied by invoices, bills or purchase orders relating thereto.

(c) If the Borrower fails to maintain the Project, or make repairs in accordance with the Project Condition Report, the Servicer shall be entitled but not obligated to withdraw or direct the application of funds held by the Trustee in the Replacement Reserve Fund.

ARTICLE VI INDEMNIFICATION

Section 6.01. Indemnification by Borrower.

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, the program participants of the Issuer, the Trustee, Bondholders, Servicer, and Financial Monitor, and each of their respective officers, governing members, directors, officials, employees, attorneys and agents (collectively, the "Indemnified Parties"), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state

securities laws) or at common law or otherwise, arising out of or based upon or in any way relating to:

(i) the Bonds, the Indenture, the Loan Agreement, the Regulatory Agreement, the Loan Documents or the Tax Certificate or the execution or amendment hereof or thereof or in connection with transactions contemplated hereby or thereby, including the issuance, sale or resale of the Bonds;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;

(iii) any lien or charge upon payments by the Borrower to the Issuer and the Trustee, Bondholders, Servicer, and Financial Monitor hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee, Bondholders, Servicer, and Financial Monitor in respect of any portion of the Project;

(iv) any violation of any environmental regulations with respect to, or the release of any hazardous substances from, the Project or any part thereof;

(v) the defeasance and/or redemption, in whole or in part, of the Bonds;

(vi) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in any offering statement or disclosure or continuing disclosure document for the Bonds or any of the documents relating to the Bonds, or any omission or alleged omission from any offering statement or disclosure or continuing disclosure document for the Bonds of any material fact necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(vii) any declaration of taxability of interest on the Bonds, or allegations (or regulatory inquiry) that interest on the Bonds is taxable, for federal tax purposes;

(viii) the Subordinate Loan Documents and/or the Partnership Agreement; and

(ix) the Trustee's, Bondholders', Servicer's, and Financial Monitor's acceptance or administration of the trust of the Indenture, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Bonds to which it is a party;

except (a) in the case of the foregoing indemnification of the Trustee, Bondholders, Servicer, and Financial Monitor or any of its respective officers, members, directors, officials, employees, attorneys and agents, to the extent such damages are caused by the negligence or willful misconduct of such Indemnified Party; or (b) in the case of the foregoing indemnification of the Issuer or the program participants of the Issuer or any of their officers, members, directors, officials, employees, attorneys and agents, to the extent such damages are caused by the willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if in the judgment of such Indemnified Party a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel.

In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Trustee, Bondholders, Servicer, and Financial Monitor and/or the Issuer in enforcing the provisions hereof, as more fully set forth in the Loan Agreement.

(b) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses pursuant this Loan Agreement shall survive the final payment or defeasance of the Bonds and in the case of the Trustee, Bondholders, Servicer, and Financial Monitor any resignation or removal. The provisions of this Section shall survive the termination of this Loan Agreement.

(l) Any substantial damage to or destruction of the Project if the applicable insurance proceeds, plus any sums deposited by the Borrower with the Trustee shall not, in the opinion of the Significant Bondholder and the Financial Monitor, be sufficient to repair and restore the Project, or if the insurance proceeds shall not be paid within a reasonable time as a result of the Borrower's failure to pursue such insurance claim, and the Borrower fails or refuses to deliver funds to the Trustee in an amount equal to such excess improvement or rehabilitation costs as provided herein;

(m) Any "Event of Default" shall have occurred under the Indenture, the Regulatory Agreement, the Tax Certificate, the Notes, the Mortgage or any other Loan Documents, the Bond Documents or the Subordinate Loan Documents (or any of them) and shall continue beyond any applicable curative period provided in such instrument or agreement;

Section 7.02. Remedies on Default.

(a) Whenever any Event of Default referred to in Section 7.01 shall have occurred and be continuing, the Trustee, as assignee of the Issuer, may, and, in the case of an Event of Default under Section 7.01(i), (j) or (k) or at the direction of the Significant Bondholder, shall:

(i) By notice in writing to the Borrower declare the unpaid indebtedness on the Loan and under this Agreement and the Notes to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) Take whatever action at law or in equity or under any of the Loan Documents and/or any Bond Document as may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due hereunder or thereunder or under the Notes, or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Agreement, the Notes or any other Loan Document and/or any Bond Document.

(b) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrower, the Trustee (irrespective of whether the principal and interest of the Loan shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Borrower for the payment of overdue principal or interest) shall be entitled and empowered, and shall, at the written direction of the Significant Bondholder, if any, by intervention of such proceeding or otherwise,

(i) To file and prove a claim for the whole amount of principal and interest owing and unpaid on the Loan and all other amounts owed by the Borrower in accordance with this Agreement and the other Loan Documents and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable

compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Owners allowed in such judicial proceeding; and

(ii) To collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same.

Any receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Owner to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Owners, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel.

(c) Any amounts collected pursuant to action taken under this Section 7.02 shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer or the Trustee on behalf of the Issuer and their respective counsel, be paid into the Redemption Fund (unless otherwise provided in this Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.02 shall relieve the Borrower from the Borrower's obligations pursuant to Section 4.01, Section 4.02, Section 4.13, Section 5.03 and Section 6.01.

Section 7.03. Entry Upon Premises. After the occurrence and during the continuation of any Event of Default of which the Borrower has received notice and failed to cure within any applicable grace or cure period, which in the Significant Bondholder's, the Financial Monitor's, and the Servicer's judgment may interfere with completion of any improvement or rehabilitation of the Project, the Servicer or any rehabilitation consultant or other independent contractor of the Significant Bondholder's, Financial Monitor's, and the Servicer's selection shall have the right and is hereby given a license, in addition to and without limiting any other rights or remedies afforded by the Notes, Mortgage or the other provisions hereof, or other documents executed in connection with the Loan to enter the premises and perform any and all work and labor necessary to complete any improvement or rehabilitation of the Project, subject to the rights of tenants. All sums advanced hereunder and any other amounts expended by the Significant Bondholder, the Financial Monitor, and the Servicer (none of which parties shall be under or have any obligation whatsoever to advance or expend any amounts whether available hereunder or otherwise) to complete any improvement or rehabilitation of the Project shall be deemed to have been advanced to the Borrower and shall be secured by the Mortgage, as applicable.

Section 7.04. Power of Attorney. For purposes of Section 7.03 only, effective upon an uncured Event of Default by the Borrower, the Borrower hereby constitutes and appoints each of the Servicer and Financial Monitor its true and lawful attorney-in-fact with full power of substitution to complete any improvement or rehabilitation of the Project in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following:

(a) To use any completion deposit furnished by the Borrower which shall consist of a deposit in escrow with the Trustee of cash, certificates of deposit, letters of credit or marketable securities by the Borrower in an amount to pay the costs of completion of any improvement or rehabilitation of the Project, any Project proceeds, and

any other funds of the Borrower in the possession of the Trustee, including any funds which may remain unadvanced hereunder for the purpose of completing any improvement or rehabilitation of the Project;

(b) To make such additions, changes and corrections as shall be necessary or desirable to complete any improvement or rehabilitation of the Project in substantially the manner contemplated by the budget and specifications;

(c) To employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) To employ attorneys to defend against attempts to interfere with the exercise of the powers granted hereby;

(e) To pay, settle or compromise all existing bills and claims which are or may be liens against the Project as may be necessary or desirable for the completion of any improvement or rehabilitation of the Project or the clearance of title;

(f) To execute all applications and certificates in the name of Borrower which may be required by any improvement or rehabilitation contract; and/or

(g) To prosecute and defend all actions or proceedings in connection with any improvement or rehabilitation of the Project and to take such action, require such performance and do any and every other act as is deemed reasonably necessary with respect to the completion of any improvement or rehabilitation of the Project which Borrower might do on its own behalf.

The power of attorney given in this Section 7.04 shall be a power coupled with an interest which, together with the license given in Section 7.03, cannot be revoked until completion of any improvement or rehabilitation of the Project in accordance with this Agreement. Notwithstanding the foregoing, the Servicer and the Financial Monitor, if acting on behalf of the Issuer, shall have no liability for failure to act under such power of attorney, if in its sole discretion the exercise of such powers would expose the Servicer and/or the Financial Monitor to personal liability.

Section 7.05. Direct Disbursements Following Default. After any default by the Borrower hereunder and passage of any cure or grace period permitted hereunder without cure being effected, the Borrower irrevocably permits and authorizes the Servicer to disburse any remaining proceeds of the Loan directly to the subcontractors for the Project but Servicer is not under any obligation so to do. No further direction or authorization from Borrower shall be necessary to warrant such direct disbursements and all such disbursements shall satisfy pro tanto the obligations of the Borrower hereunder and shall be secured by the Mortgage as fully as if made to the Borrower regardless of the disposition thereof by any major subcontractor or such other persons. The Servicer shall impose reasonable conditions for such direct payment including, but not limited to, receipt of estoppel certificates, waivers of lien, releases and the like. The Servicer shall account to the Borrower for all sums so paid. The Servicer shall be under no obligation to disburse funds to complete improvement or rehabilitation of the Project unless sufficient funds are available and on deposit with the Trustee to complete improvement or

rehabilitation of the Project and to pay the fees and expenses of the Servicer in connection with such activities. Notwithstanding the foregoing, in the event the Servicer exercises the authority under this Section 7.05, the Servicer shall complete requisitions as required by Section 6.02 of the Indenture pursuant to the authority given to the Servicer under Section 7.04.

Section 7.06. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Issuer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, the Mortgage or any other Loan Document or now or hereafter existing at law, under contract, or in equity; provided, however, each right and remedy of the Issuer, whether granted in this Agreement, or any other Loan Document, at law or in equity is subject to the provisions of Section 8.11. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be herein expressly required or required by any other Loan Document. Such rights and remedies as are given the Issuer hereunder shall also extend to the Trustee and the Trustee, subject to the provisions of Section 8.11 and of the Indenture, shall be entitled to the benefit of all covenants and agreements herein contained.

Section 7.07. Agreement to Pay Fees and Expenses of Counsel. If the Borrower should default under any of the provisions of this Agreement and prior to the commencement of litigation or other dispute resolution processes, the Issuer, Servicer, Financial Monitor, Significant Bondholder or the Trustee should employ counsel or incur other expenses for the collection of the indebtedness hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein contained, the Borrower agree that they will on demand therefor pay to the Trustee, the Issuer, the Servicer, the Financial Monitor or the Significant Bondholder, if any, or, if so directed by the Issuer, the Trustee, the Servicer, the Financial Monitor or the Significant Bondholder, to their counsel, the reasonable fees of such counsel and all other out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, the Servicer, the Financial Monitor or the Significant Bondholder with respect to the period prior to the commencement of litigation or other dispute resolution process. In all litigation or other dispute resolution process and all appeals therefrom the prevailing party in such litigation or other dispute resolution process shall be entitled to recover, in addition to any other relief, its reasonable attorneys' fees and costs.

Section 7.08. Waiver; No Additional Waiver Implied by One Waiver; Consents to Waivers. The Owners of a majority of the aggregate principal amount of Bonds Outstanding may waive any Event of Default hereunder and upon such waiver the occurrence of such event shall not be deemed an Event of Default hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver. In the event any agreement contained in this Agreement should be breached and thereafter waived, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 7.09. Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this ARTICLE VII may be exercised only to the extent that the exercise thereof does

not violate any applicable provisions of law in the premises and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.10. Cure by Investor Limited Partner. The Issuer hereby agrees that any cure of any Event of Default or default hereunder made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower. Notices of default hereunder shall be given to the Investor Limited Partner in the same manner and at the same times as given to the Borrower. Notices to the Investor Limited Partner shall be sent to: TCP II EP, L.P., c/o Victoria Capital, LLC, 330 West Victoria Street Gardena, CA 90248-3527 Attention: Michael A. Costa Fax: (424) 258-2801; Email: michael.costa@housingpartners.com.

Section 7.11. Significant Bondholder's Right To Perform the Obligations. If the Borrower shall fail, refuse or neglect to make any payment or perform any act required by the Loan Documents and/or the Bond Documents, then while any default exists, and without notice to or demand upon the Borrower and without waiving or releasing any other right, remedy or recourse the Trustee or the Significant Bondholder may have because of such default, the Significant Bondholder may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of the Borrower, and shall have the right to enter upon the Project for such purpose and to take all such action thereon and with respect to the Project as it may deem necessary or appropriate. If the Significant Bondholder shall elect to pay any sum due with reference to the Project, the Significant Bondholder may do so in reliance on any bill, statement or assessment procured from the appropriate governmental authority or other issuer thereof without inquiring into the accuracy or validity thereof. Similarly, in making any payments to protect the security intended to be created by the Loan Documents and/or the Bond Documents, the Significant Bondholder shall not be bound to inquire into the validity of any apparent or threatened adverse title, lien, encumbrance, claim or charge before making an advance for the purpose of preventing or removing the same. All sums paid by the Significant Bondholder pursuant to this Section 7.11, and all other sums expended by the Significant Bondholder, to which it shall be entitled to be indemnified, together with interest thereon at the Default Rate from the date of such payment or expenditure until paid, shall constitute additions to all amounts payable with respect to the Bonds, shall be secured by the Loan Documents and/or the Bond Documents and shall be paid by the Borrower to the Significant Bondholder upon demand.

ARTICLE VIII MISCELLANEOUS

Section 8.01. Amounts Remaining in Funds and Accounts. Any amounts remaining in any Fund or Account established under the Indenture after payment of the Bonds in full including interest and premium, if any, thereon in accordance with their terms, or provision for payment thereof having been made in accordance with the provisions of the Indenture, and payment of all sums otherwise due hereunder shall be paid to the Borrower as provided in the Indenture.

Section 8.02. Non-Liability of Issuer; Issuer May Rely.

(a) The Issuer shall not be obligated to pay the principal (or redemption price) of or interest on the Bonds, except from Project Revenues and other moneys and assets received by the Trustee on behalf of the Issuer pursuant to this Loan Agreement. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the faith and credit of the Issuer or any member is pledged to the payment of the principal (or redemption price) or interest on the Bonds. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Loan Agreement, the Bonds or the Indenture except only to the extent amounts are received for the payment thereof from the Borrower under this Loan Agreement.

The Borrower hereby acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by payments made by the Borrower pursuant to this Loan Agreement and the receipt of other Project Revenues, together with investment income on certain funds and accounts held by the Trustee under the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or redemption price) and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or redemption price) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

(b) It is expressly understood and agreed by the parties to this Loan Agreement that:

(i) The Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, any Bondholder or the Borrower as to the existence of a fact or state of affairs required under this Loan Agreement to be noticed by the Issuer;

(ii) The Issuer shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Borrower; and

(iii) None of the provisions of this Loan Agreement shall require the Issuer to expend or risk its own funds (apart from the proceeds of Bonds issued under the Indenture) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Loan Agreement unless it first shall have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

(c) No provision, representation, covenant or agreement contained in this Loan Agreement or in the Indenture, the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary liability (except to the extent of any Loan repayments, revenues and receipts derived by the Issuer pursuant to this Loan Agreement and other moneys held pursuant to the Indenture, other than in the Rebate Fund). No provision hereof shall be construed to impose a charge against the general credit of the Issuer, the State, the County or any political subdivision of the State or the taxing powers of the State, the County or any political subdivision of the State, within the meaning of any constitutional provision or statutory limitation, or any personal or pecuniary liability upon any board member, director, officer, agent or employee of the Issuer.

(d) All covenants, obligations and agreements of the Issuer contained in this Loan Agreement and the Indenture shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future board member, director, officer, agent or employee of the Issuer in other than his official capacity, and no official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof or by reason of the covenants, obligations or agreements of the Issuer contained in this Loan Agreement or in the Indenture. No provision, covenant or agreement contained in this Loan Agreement, the Indenture or the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary liability or a charge. No recourse shall be had for the enforcement of any obligation, covenant, promise, or agreement of the Issuer contained in this Loan Agreement or in any Bond or for any claim based hereon or otherwise in respect hereof or upon any obligation, covenant, promise, or agreement of the Issuer contained in any agreement, instrument, or certificate executed in connection with the Project or the issuance and sale of the Bonds, against any member of the governing board of the Issuer, its officers, counsel, financial advisor, or agents, as such, in his or her individual capacity, past, present, or future, or of any successor thereto, whether by virtue of any Constitutional provision, statute, or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that no personal liability whatsoever shall attach to, or be incurred by, any member of the governing board, officers, counsel, financial advisors, or agents, as such, in his or her individual capacity, past, present, or future, of the Issuer or of any successor thereto, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the Issuer and the Trustee or the Borrower to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such director, officer, counsel, financial advisor, or agent, is, by the execution of the Bonds, this Loan Agreement, and the Indenture, and as a condition of, and as part of the consideration for, the execution of the Bonds, this Loan Agreement, and the Indenture, expressly waived and released.

Section 8.03. Amendment of Agreement. This Agreement may be amended only by written agreement of the parties hereto, and subject to the requirements for and limitations on such amendments set forth herein and in the Indenture; provided, however, modification or the

waiver of any provisions of this Agreement, the Notes or the Mortgage, or consent to any departure by the Borrower therefrom shall in no event be effective unless the same shall be in writing approved by the parties hereto.

Section 8.04. Security Advice Waiver. The Borrower and Issuer acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Borrower and Issuer the right to receive brokerage confirmations for certain security transactions as they occur, the Borrower and Issuer specifically waive receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Borrower and Issuer periodic cash transaction statements that include detail for all investment transactions made by the Trustee.

Section 8.05. Payment. At such time as the principal of, premium, if any, and interest on all Bonds Outstanding under the Indenture shall have been paid in accordance with their terms, or shall be deemed to be paid in accordance with the Indenture, and all other sums payable by the Borrower under this Agreement shall have been paid, the Loan shall be deemed to be fully paid and the Borrower, upon request, will be entitled to receive acknowledgment of such payment in full from Trustee.

Section 8.06. Counterparts. This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but such counterparts shall together constitute but one and the same Agreement, and, in making proof of this Agreement, it shall not be necessary to produce or account for more than one such counterpart.

Section 8.07. Severability. If any clause, provision or section of this Agreement shall be held illegal or invalid by any court, the invalidity of such provisions or sections shall not affect any other provisions or sections hereof, and this Agreement shall be construed and enforced to the end that the transactions contemplated hereby be effected and the obligations contemplated hereby be enforced, as if such illegal or invalid clause, provision or section had not been contained herein.

Section 8.08. Term of Agreement; Time of the Essence. This Agreement shall be in full force and effect from the date hereof and shall continue in effect for the later of (a) so long as any Bonds are Outstanding, or (b) for a period of 91 days after the Borrower makes any payments under this Agreement during which no “filing” by or against the Borrower (as described in Section 7.01(j)) occurs, or (c) so long as Trustee holds any moneys under the Indenture other than upon or after a defeasance pursuant to Article XII of the Indenture; provided, however, this Agreement shall not terminate unless and until (i) all of the Borrower’s obligations under the Loan Documents (including the Regulatory Agreement and the Tax Certificate) have been satisfied, and (ii) all of the Borrower’s obligations with respect to the Issuer Fee and any arbitrage rebate obligation has been satisfied and the Borrower has so certified to the Issuer and the Trustee. Notwithstanding the foregoing, all representations and certifications by the Borrower set forth in ARTICLE II and all provisions relating to the payment of any amounts due hereunder to the Trustee, the Servicer, the Financial Monitor, the Significant Bondholder, if any, and the Issuer (including amounts due under Section 4.13, Section 5.03 and ARTICLE VI) shall survive any termination, payment, or satisfaction of the indebtedness and the

termination of this Agreement, and any foreclosure or any other transfer of any kind of the Project and shall continue and survive ad infinitum. The parties hereto agree that time is of the essence with respect to this Agreement and each of the other Loan Documents and the bond Documents.

Section 8.09. Notice of Changes in Fact. Promptly after the Borrower becomes aware of the same, the Borrower will notify the Issuer, the Trustee, the Significant Bondholder and each Owner requesting the same at the address supplied to the Trustee by such Owner or its authorized representative of (a) any change in any material fact or circumstance represented or warranted by the Borrower in this Agreement or in connection with the issuance of the Bonds, and (b) any Event of Default or event which, with the giving of notice or lapse of time or both, could become an Event of Default under this Agreement or the Indenture, specifying in each case the nature thereof and what action the Borrower has taken, is taking, and/or proposes to take with respect thereto.

Section 8.10. Notices. Any notices or other communication required or permitted hereunder shall be sufficiently given if delivered, by registered or certified mail, postage prepaid or overnight delivery service or dispatched by telegraphic or electronic means, to the Borrower, the Issuer, the Servicer, the Significant Bondholder, the Trustee and the Owners at their respective Notice Address or at such other address or telephone numbers as shall be furnished in writing by any party to the other, and shall be deemed to have been given as of the date of the signed receipt.

Section 8.11. Debtor-Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower, and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor/creditor relationship.

Section 8.12. Nonrecourse, Limited Recourse and Recourse Provisions of Loan.

(a) Notwithstanding anything to the contrary in this Agreement or in the Notes or Mortgage, commencing on the Project Completion Date, the personal liability of the Borrower and each person who holds a direct or indirect ownership interest in the Borrower, and the respective officers, directors, managers, trustees, agents, employees and affiliates of Borrower and such owners (collectively, "Borrower Related Persons") shall be strictly and absolutely limited to the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof and any other collateral securing the Loan, except as provided in paragraph (b) herein below. No one may seek any judgment, whether for a deficiency or otherwise, against the Borrower or the Borrower Related Persons in any action to foreclose, to exercise a power of sale, to confirm any foreclosure or sale under power of sale, or to exercise any other rights or power under or by reason of the Mortgage or any other Loan Documents; provided, however, that nothing herein shall prohibit to the extent necessary judicial proceedings to

foreclose the Mortgage or other Loan Documents or to the extent necessary a judgment or decree of specific performance of agreements and covenants hereunder (or the exercise of any remedy available under the Regulatory Agreement, other than a remedy for the payment of principal and interest on the Notes, if any), other than Loan payment covenants. In the event any suit is brought on this Agreement, or concerning the Loan or any amount secured by the Mortgage or other Loan Documents as part of judicial proceedings to foreclose the liens of the Mortgage and/or security interest, or to confirm any foreclosure or sale pursuant to power of sale thereunder, or to exercise any other rights or power under or by reason of the Mortgage or other Loan Documents, any judgment obtained in such suit shall constitute a lien on and will be and can be enforced only against, the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof, and not against any other asset of the Borrower or the Borrower Related Persons, and the terms of such judgment shall expressly so provide.

(b) Notwithstanding paragraph (a) above, or anything to the contrary in this Agreement or any other Loan Documents, the Borrower shall be personally liable for, and the Issuer and the Trustee shall have the right to seek a judgment for money damages (including a deficiency judgment) to enforce, payment of:

(i) The Issuer Fee, the Trustee Fee, the Financial Monitor's Fee and the Servicer Fee and reasonable extraordinary costs and expenses, including, but not limited to, the payment obligations of the Borrower under Section 4.13 and Section 5.03 and legal fees and reasonable out-of-pocket costs and expenses of Bond Counsel, counsel to the Issuer and counsel to the Trustee incurred in connection with the interpretation or enforcement of the Indenture, this Agreement or the other Loan Documents;

(ii) Indemnification under ARTICLE VI; provided, however, said indemnification provisions shall not be deemed to create any personal liability of the Borrower or the Borrower Related Person for the payment of principal, premium, if any, and interest on the Loan;

(iii) [Reserved];

(iv) Intentional misapplication of Project rents, profits and issues following any payment default in payment of principal or interest on the Loan (without regard to the expiration of any cure period, if any) to the extent misapplied;

(v) Liability for intentional waste (provided however, it shall not be waste if the Borrower fails to restore or repair the Project or any part thereof after any damage, destruction, or partial condemnation notwithstanding the availability of insurance or condemnation proceeds), destruction or damage to the Project or any part thereof on the part of the Borrower, the Borrower Related Person or the Project Manager;

(vi) Tenant security deposits, to the extent not properly accounted for, or prepaid rent, to the extent misapplied;

(vii) Misapplication of any Condemnation Award or Insurance Proceeds;

(viii) Fraud, intentional misrepresentation, willful misconduct, or criminal activity;

(ix) Any obligation to pay a premium on the Bonds in the event of a redemption resulting from a Determination of Taxability due to actions or inactions of the Borrower as provided in the Indenture;

(x) Any damages suffered by the Issuer, the Trustee or the Bondholders (or any of them) because of a transfer of the Project in whole or in part in contravention of the Loan Documents, or the occurrence of a Determination of Taxability because of the action or inaction of the Borrower or any party within its control; and

(xi) Any brokerage commissions or finders' fees claimed by any party in connection with the Bonds, the Loan or the Project.

In any action commenced against the Borrower with respect to the foregoing provisions (b)(i) through (xi), no action shall be maintained against the Borrower's Managing General Partner.

All of the foregoing obligations shall bear interest at the Default Rate from the due date thereof (or, in the case of liability and indemnification for removal or cleanup of environmental hazards, from the date demand for payment thereof is made) until the date paid in full.

Section 8.13. Applicable Law. The laws of the State, without resort to conflicts of laws principles, shall govern the interpretation of this Agreement.

Section 8.14. Further Assurances and Corrective Instruments. The Issuer and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the performance of this Agreement.

Section 8.15. Electronic Transactions. The parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22.

Section 8.16. USA Patriot Act. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify

and record information that identifies each person or entity that opens an account, including any deposit account, treasury management account, loan, other extension of credit or other financial services product. When the Borrower opens an account, if the Borrower is an individual, the Trustee may ask for the Borrower's name, taxpayer identification number, residential address, date of birth and other information that will allow the Trustee to identify the Borrower, and if the Borrower is not an individual, the Trustee will ask for the Borrower's name, taxpayer identification number, business address, and other information that will allow the Trustee to identify the Borrower. The Trustee may also ask, if the Borrower is an individual, to see the Borrower's driver's license or other identifying documents, and if the Borrower is not an individual, to see the Borrower's legal organizational documents or other identifying documents.

Section 8.17. No Trial by Jury. To the fullest extent permitted by applicable law, the Parties hereto hereby agree not to elect a trial by jury of any issue triable of right by jury, and waive any right to trial by jury fully to the extent that any such right shall now or hereafter exist with regard to the Loan Documents and/or the Bond Documents, or any claim, counterclaim or other action arising in connection therewith. This waiver of right to trial by jury is given knowingly and voluntarily by the Parties hereto, and is intended to encompass individually each instance and each issue as to which the right to a trial by jury would otherwise accrue in each instance, to the fullest extent permitted by applicable law. The Servicer, the Trustee or Significant Bondholder is hereby authorized to file a copy of this paragraph in any proceeding as conclusive evidence of this waiver by the Parties hereto.

Section 8.18. California Judicial Reference Agreement.

(a) Any disputes, claims and controversies arising out of the Loan Documents or the transactions contemplated thereby (each referred to herein as a "Dispute" and collectively, "Disputes") that are brought before a forum in which pre-dispute waivers of the right to trial by jury are invalid under applicable law shall be subject to the terms of this Section 8.18 in lieu of the jury trial waiver provided in Section 8.17 hereof.

(b) Any and all Disputes shall be heard by a referee and resolved by judicial reference pursuant to California Code of Civil Procedure Sections 638 *et seq.* The referee shall be a retired California state court judge or an attorney licensed to practice law in the State of California with at least ten (10) years' experience practicing commercial law. The parties shall not seek to appoint a referee that may be disqualified pursuant to California Code of Civil Procedure Section 641 and 641.2 without the prior written consent of all parties. If the parties are unable to agree upon a referee within ten (10) calendar days after one party serves a written notice of intent for judicial reference upon the other party or parties, then the referee will be selected by the court in accordance with California Code of Civil Procedure Section 640(b). The referee shall render a written statement of decision and shall conduct the proceedings in accordance with the California Code of Civil Procedure, the Rules of Court, and the California Evidence Code, except as otherwise specifically agreed by the parties and approved by the referee. The referee's statement of decision shall set forth findings of fact and conclusions of law. The decision of the referee shall be entered as a judgment in the court in accordance with the provisions of California Code of Civil Procedure Sections 644 and 645. The decision of the referee shall be appealable to the same extent and in the

same manner that such decision would be appealable if rendered by a judge of the superior court.

(c) If a Dispute includes multiple claims, some of which are found not subject to this Agreement, the parties shall stay the proceedings of the Disputes or part or parts thereof not subject to this Agreement until all other Disputes or parts thereof are resolved in accordance with this Agreement. If there are Disputes by or against multiple parties, some of which are not subject to this Agreement, the parties shall sever the Disputes subject to this Agreement and resolve them in accordance with this Agreement.

(d) During the pendency of any Dispute which is submitted to judicial reference in accordance with this Agreement, the Borrower and the Trustee shall share the fees charged and costs incurred by the referee in performing the services described in this Agreement. The compensation of the referee shall not exceed the prevailing rate for like services.

(e) THIS Section 8.18 CONSTITUTES A “REFERENCE AGREEMENT” BETWEEN OR AMONG THE PARTIES WITHIN THE MEANING OF AND FOR PURPOSES OF CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 638. THE PROVISIONS OF THIS Section 8.18 SHALL BE APPLICABLE ONLY TO THE EXTENT CALIFORNIA LAW IS APPLIED IN A FORUM IN WHICH A DISPUTE IS BROUGHT AND IF THE JURY TRIAL WAIVER DESCRIBED IN Section 8.18 IS UNENFORCEABLE.

Section 8.19. Waiver of Personal Liability. No member, officer, agent or employee of the Issuer or any of its program participants or any director, officer, agent or employee of the Borrower shall be individually or personally liable for the payment of any principal (or redemption price) or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Loan Agreement.

[Borrower Signature Page to Loan Agreement – Sycamore Walk]

**EXHIBIT A-1
FORM OF NOTE**

PROMISSORY NOTE

**SERIES B-1 NOTE
(Sycamore Walk Project)**

\$3,632,000

As of December 1, 2015

FOR VALUE RECEIVED, Sycamore Bakersfield AR, L.P., a California limited partnership (the “Borrower”), promises to pay, in lawful money of the United States of America, to the order of the Golden State Finance Authority, a joint exercise of powers agency duly organized and validly existing under the laws of the State of California (together with any of its successors or assigns, the “Issuer”), the principal sum of THREE MILLION SIX HUNDRED THIRTY-TWO THOUSAND DOLLARS AND NO CENTS (\$3,632,000) with interest thereon on the outstanding principal balance of this Note from time to time, at the rates per annum as provided in the Indenture and the Loan Agreement (each as hereinafter defined). Terms not otherwise defined in this Note shall have the respective meanings as set forth in the Indenture or the Loan Agreement.

Amounts due under this Note shall be payable in installments at the times and in the amounts determined as provided in the Loan Agreement dated as of December 1, 2015, between the Borrower and the Issuer, the terms of which are incorporated herein by reference (the “Loan Agreement”), with the final payment of all outstanding principal and interest on this Note to be paid on January 1, 2033, unless the Bonds are required to be redeemed or this Note is earlier paid by the Borrower in accordance with the terms hereof, the Loan Agreement or the Indenture; however, the obligation of the Borrower to make any payment hereunder shall be deemed satisfied and discharged to the extent of any amounts held in the funds and accounts under the Indenture, including earnings thereon, to the extent such amounts are used to make payments of principal and interest on the Bonds. Both principal and interest under this Note shall be payable at the Notice Address of the Trustee. The Borrower may make prepayments upon this Note as provided in the Loan Agreement, with such prepayments being first applied to interest and next to principal.

This Note is made pursuant to the Loan Agreement wherein, among other things, the Issuer has agreed to loan to the Borrower and the Borrower has agreed to take a loan in the principal amount above, being the proceeds from the sale of the Issuer’s Multifamily Housing Revenue Bonds (Sycamore Walk Project) 2015 Series B-1 in the aggregate principal amount of \$3,632,000 (the “Series B-1 Bonds”), said proceeds to be disbursed to the Borrower from time to time in accordance with the provisions of the Trust Indenture dated as of December 1, 2015 (the “Indenture”), between the Issuer and the Trustee, pursuant to which the Bonds are being issued. Simultaneously with the issuance of the Series B-1 Bonds, the Issuer will issue its Subordinate Multifamily Housing Revenue Bonds (Sycamore Walk Project) 2015 Series B-2 in the aggregate principal amount of \$1,815,000 (the “Series B-2 Bonds,” and together with the Series B-1 Bonds, the “Bonds”) as more fully set forth in the Indenture, which Series B-2 Bonds are

subordinate to the Series B-1 Bonds. The loan of the proceeds of the Series B-2 Bonds to the Borrower is evidenced by a separate note (the “Series B-2 Note”).

Upon the occurrence of any Event of Default as defined in the Loan Agreement, all unpaid principal of and interest on this Note may be declared to be forthwith due and payable in the manner and with the effect provided in the Loan Agreement. Failure to exercise this option shall not constitute a waiver of the right to exercise the same in the event of any subsequent occurrence of such an Event of Default. If this Note shall be placed in the hands of an attorney or attorneys for collection, the Borrower agrees to pay, in addition to the amount due hereon, the reasonable costs and expenses of collection, including reasonable legal fees and expenses.

The indebtedness evidenced by this Note is secured by, among other things, the Senior Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing dated as of December 1, 2015 (the “Mortgage”), from the Borrower to the deed of trust trustee named therein for the benefit of the Trustee.

Interest payable on this Note shall not exceed the maximum amount that may be lawfully charged. Interest on this Note shall be calculated, from time to time, on the same basis as interest on the Bonds.

At the option of the Trustee, exercised in accordance with the Indenture, the entire principal balance and accrued interest owing hereon shall at once become due and payable without notice or demand upon the occurrence at any time of any of the events of default (collectively, the “Events of Default”) set forth in the Loan Agreement or the Mortgage, after the passage of any applicable grace or cure period provided therein.

The Trustee’s failure to exercise the option to accelerate the maturity of this Note upon the happening of any one or more of the Events of Default shall not constitute a waiver of the right of the Trustee to exercise the same or any other option at that time with respect to such Event of Default or any other default under this Note or under any instrument securing, governing, guaranteeing or evidencing the loan evidenced by this Note (the “Loan”). The remedies provided in this Note, in the Mortgage, the Loan Agreement, the Indenture and in any other instrument securing, governing, guaranteeing or evidencing the Loan (collectively, the “Security Documents”), shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion therefor shall arise, at the sole discretion of the Trustee. The acceptance by the holder hereof of any payment under this Note which is less than the payment in full of all amounts due and payable at the time of such payment shall not (a) constitute a waiver of or impair, reduce, release or extinguish any remedy or right to exercise the foregoing option or any other option granted to the holder or any other party in this Note, or under any other instrument securing, governing, guaranteeing or evidencing the loan evidenced hereby, at that time or at any subsequent time, or nullify any prior exercise of any such option, or (b) impair, reduce, release, extinguish or adversely affect the obligations of any party liable under such documents as originally provided therein.

The Borrower waives demand, presentment, notice of dishonor, notice of intention to accelerate the indebtedness evidenced hereby, notice of the acceleration of the maturity hereof, diligence in collecting, grace, notice (except as set forth in the Loan Agreement or Mortgage)

and protest, and agrees to one or more extensions for any period or periods of time and to partial payments, as permitted by the Trustee in its sole discretion, before or after maturity, without prejudice to the holder of this Note.

If this Note is not paid when due, whether at maturity or by acceleration, or if, after the occurrence of an Event of Default, this Note is placed with an attorney for collection, whether before or after maturity, the Borrower agrees to pay all reasonable costs of collection, including, but not limited to, reasonable legal fees and expenses incurred by or on behalf of the holder hereof.

All payments on the indebtedness evidenced by this Note shall be applied first to pay certain costs incurred by or on behalf of the holder hereof and next to pay interest hereon and next to pay any and all remaining costs incurred by or on behalf of the holder hereof and finally to pay principal, all as described in the Indenture.

The proceeds of this Note are to be used for business, commercial, investment or other similar purposes, and no portion thereof will be applied for personal, family or household use.

All agreements between the Borrower and the holder hereof, whether now existing or hereafter arising, and whether written or oral, are hereby limited so that in no event shall the interest payable hereunder (whether contracted for, charged or received by the holder hereof) exceed the maximum amount permissible under applicable law. If, from any circumstances whatsoever, interest would otherwise be payable to the holder hereof in excess of the maximum lawful amount, the interest payable to the holder hereof shall be reduced to the maximum amount permitted under applicable law; and if from any circumstance the holder hereof shall ever receive anything of value deemed interest by applicable law in excess of the maximum lawful amount, an amount equal to any such excessive interest shall be applied to the reduction of the principal hereof and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal hereof such excess shall be refunded to the Borrower. All interest paid or agreed to be paid to the holder hereof shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full period until payment in full of the principal (including the period of any renewal or extension hereof) so that the interest hereon for such full period shall not exceed the maximum amount permitted by applicable law. This paragraph shall control all agreements between the Borrower and the holder hereof.

Notwithstanding anything to the contrary in this Note or in the Loan Agreement or the Mortgage, from and after the Project Completion Date, the personal liability of the Borrower and each person who holds a direct or indirect ownership interest in the Borrower, and the respective officers, directors, managers, partners, trustees, agents, employees and affiliates of Borrower and such owners (collectively, "Borrower Related Persons") shall be strictly and absolutely limited to the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof and any other collateral securing the Loan, except as provided in paragraph (b) herein below. No one may seek any judgment, whether for a deficiency or otherwise, against the Borrower or the Borrower Related Persons in any action to foreclose, to exercise a power of sale, to confirm any foreclosure or sale under power of sale, or to exercise any other rights or power under or by reason of the Mortgage or any other Loan Documents; provided, however, that nothing herein shall prohibit to the extent necessary judicial proceedings

to foreclose the Mortgage or other Loan Documents or to the extent necessary a judgment or decree of specific performance of agreements and covenants under this Note or the Loan Agreement (or the exercise of any remedy available under the Regulatory Agreement, other than a remedy for the payment of principal and interest on this Note, if any), other than Loan payment covenants. In the event any suit is brought on this Note or the Loan Agreement, or concerning the Loan or any amount secured by the Mortgage or other Loan Documents as part of judicial proceedings to foreclose the Mortgage liens and/or security interest, or to confirm any foreclosure or sale pursuant to power of sale thereunder, or to exercise any other rights or power under or by reason of the Mortgage or other Loan Documents, any judgment obtained in such suit shall constitute a lien on and will be and can be enforced only against, the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof, and not against any other asset of the Borrower or the Borrower Related Persons, and the terms of such judgment shall expressly so provide.

Notwithstanding the preceding paragraph, or anything to the contrary in the Loan Agreement or any other Loan Documents, the Borrower, shall be personally liable for, and the Issuer and the Trustee shall have the right to seek a judgment for money damages (including a deficiency judgment) to enforce, payment of:

(a) The Issuer Fee, the Trustee Fee, the Financial Monitor Fee and the Servicer Fee and reasonable extraordinary costs and expenses, including, but not limited to, the payment obligations of the Borrower under Section 4.13 and Section 5.03 of the Loan Agreement and reasonable legal fees and out-of-pocket costs and expenses of Bond Counsel, counsel to the Issuer and Counsel to the Trustee incurred in connection with the interpretation or enforcement of the Indenture, the Loan Agreement or the other Loan Documents;

(b) Indemnification under ARTICLE VI of the Loan Agreement; provided, however, said indemnification provisions shall not be deemed to create any personal liability of the Borrower or the Borrower Related Person for the payment of principal, premium, if any, and interest on the Loan;

(c) [Reserved];

(d) Intentional misapplication of Project rents, profits and issues following any payment default in payment of principal or interest on the Loan (without regard to the expiration of any cure period, if any) to the extent misapplied;

(e) Liability for intentional waste (provided however, it shall not be waste if the Borrower fails to restore or repair the Project or any part thereof after any damage, destruction, or partial condemnation notwithstanding the availability of insurance or condemnation proceeds), destruction or damage to the Project or any part thereof on the part of the Borrower, the Borrower Related Person or the Project Manager;

(f) Tenant security deposits, to the extent not properly accounted for, or prepaid rent, to the extent misapplied;

(g) Misapplication of any Condemnation Award or Insurance Proceeds;

(h) Fraud, intentional misrepresentation, willful misconduct, or criminal activity;

(i) Any obligation to pay a premium on the Bonds in the event of a redemption resulting from a Determination of Taxability due to the actions or inaction of the Borrower, as provided in the Indenture;

(j) Any damages suffered by the Issuer, the Trustee or the Bondholders (or any of them) because of a transfer of the Project in whole or in part in contravention of the Loan Documents, or the occurrence of a Determination of Taxability because of the action or inaction of the Borrower or any party within its control; and

(k) Any brokerage commissions or finders' fees claimed by any party in connection with the Bonds, the Loan or the Project.

(Sycamore Walk Project)**

\$1,815,000

As of December 1, 2015

FOR VALUE RECEIVED, Sycamore Bakersfield AR, L.P., a California limited partnership (the “Borrower”), promises to pay, in lawful money of the United States of America, to the order of the Golden State Finance Authority, a joint exercise of powers agency duly organized and validly existing under the laws of the State of California (together with any of its successors or assigns, the “Issuer”), the principal sum of ONE MILLION EIGHT HUNDRED FIFTEEN THOUSAND DOLLARS AND NO CENTS (\$1,815,000) with interest thereon on the outstanding principal balance of this Note from time to time, at the rates per annum as provided in the Indenture and the Loan Agreement (each as hereinafter defined). Terms not otherwise defined in this Note shall have the respective meanings as set forth in the Indenture or the Loan Agreement.

Amounts due under this Note shall be payable in installments at the times and in the amounts determined as provided in the Loan Agreement dated as of December 1, 2015, between the Borrower and the Issuer, the terms of which are incorporated herein by reference (the “Loan Agreement”), with the final payment of all outstanding principal and interest on this Note to be paid on January 1, 2018, unless the Bonds are required to be redeemed or this Note is earlier paid by the Borrower in accordance with the terms hereof, the Loan Agreement or the Indenture; however, the obligation of the Borrower to make any payment hereunder shall be deemed satisfied and discharged to the extent of any amounts held in the funds and accounts under the Indenture, including earnings thereon, to the extent such amounts are used to make payments of principal and interest on the Bonds. Both principal and interest under this Note shall be payable at the Notice Address of the Trustee. The Borrower may make prepayments upon this Note as provided in the Loan Agreement, with such prepayments being first applied to interest and next to principal.

This Note is made pursuant to the Loan Agreement wherein, among other things, the Issuer has agreed to loan to the Borrower and the Borrower has agreed to take a loan in the principal amount above, being the proceeds from the sale of the Issuer’s Subordinate Multifamily Housing Revenue Bonds (Sycamore Walk Project) 2015 Series B-2 in the aggregate principal amount of \$1,815,000 (the “Series B-2 Bonds”), said proceeds to be disbursed to the Borrower from time to time in accordance with the provisions of the Trust Indenture dated as of December 1, 2015 (the “Indenture”), between the Issuer and the Trustee, pursuant to which the Bonds are being issued. Simultaneously with the issuance of the Series B-2 Bonds, the Issuer is issuing its Multifamily Housing Revenue Bonds (Sycamore Walk Project) 2015 Series B-1 in the aggregate principal amount of \$3,632,000 (the “Series B-1 Bonds,” and together with the Series B-2 Bonds, the “Bonds”) as more fully set forth in the Indenture, which Series B-1 Bonds

are senior to the Series B-2 Bonds. The loan of the proceeds of the Series B-1 Bonds to the Borrower is evidenced by a separate note (the “Series B-1 Note”).

Upon the occurrence of any Event of Default as defined in the Loan Agreement, all unpaid principal of and interest on this Note may be declared to be forthwith due and payable in the manner and with the effect provided in the Loan Agreement. Failure to exercise this option shall not constitute a waiver of the right to exercise the same in the event of any subsequent occurrence of such an Event of Default. If this Note shall be placed in the hands of an attorney or attorneys for collection, the Borrower agrees to pay, in addition to the amount due hereon, the reasonable costs and expenses of collection, including reasonable legal fees and expenses.

The indebtedness evidenced by this Note is secured by, among other things, the Subordinate Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing dated as of December 1, 2015 (the “Mortgage”), from the Borrower to the deed of trust trustee named therein for the benefit of the Trustee.

Interest payable on this Note shall not exceed the maximum amount that may be lawfully charged. Interest on this Note shall be calculated, from time to time, on the same basis as interest on the Bonds.

At the option of the Trustee, exercised in accordance with the Indenture, the entire principal balance and accrued interest owing hereon shall at once become due and payable without notice or demand upon the occurrence at any time of any of the events of default (collectively, the “Events of Default”) set forth in the Loan Agreement or the Mortgage, after the passage of any applicable grace or cure period provided therein.

The Trustee’s failure to exercise the option to accelerate the maturity of this Note upon the happening of any one or more of the Events of Default shall not constitute a waiver of the right of the Trustee to exercise the same or any other option at that time with respect to such Event of Default or any other default under this Note or under any instrument securing, governing, guaranteeing or evidencing the loan evidenced by this Note (the “Loan”). The remedies provided in this Note, in the Mortgage, the Loan Agreement, the Indenture and in any other instrument securing, governing, guaranteeing or evidencing the Loan (collectively, the “Security Documents”), shall be cumulative and concurrent and may be pursued separately, successively or together as often as occasion therefor shall arise, at the sole discretion of the Trustee. The acceptance by the holder hereof of any payment under this Note which is less than the payment in full of all amounts due and payable at the time of such payment shall not

(a) constitute a waiver of or impair, reduce, release or extinguish any remedy or right to exercise the foregoing option or any other option granted to the holder or any other party in this Note, or under any other instrument securing, governing, guaranteeing or evidencing the loan evidenced hereby, at that time or at any subsequent time, or nullify any prior exercise of any such option, or

(b) impair, reduce, release, extinguish or adversely affect the obligations of any party liable under such documents as originally provided therein.

The Borrower waives demand, presentment, notice of dishonor, notice of intention to accelerate the indebtedness evidenced hereby, notice of the acceleration of the maturity hereof, diligence in collecting, grace, notice (except as set forth in the Loan Agreement or Mortgage) and protest, and agrees to one or more extensions for any period or periods of time and to partial payments, as permitted by the Trustee in its sole discretion, before or after maturity, without prejudice to the holder of this Note.

If this Note is not paid when due, whether at maturity or by acceleration, or if, after the occurrence of an Event of Default, this Note is placed with an attorney for collection, whether before or after maturity, the Borrower agrees to pay all reasonable costs of collection, including, but not limited to, reasonable legal fees and expenses incurred by or on behalf of the holder hereof.

All payments on the indebtedness evidenced by this Note shall be applied first to pay certain costs incurred by or on behalf of the holder hereof and next to pay interest hereon and next to pay any and all remaining costs incurred by or on behalf of the holder hereof and finally to pay principal, all as described in the Indenture.

The proceeds of this Note are to be used for business, commercial, investment or other similar purposes, and no portion thereof will be applied for personal, family or household use.

All agreements between the Borrower and the holder hereof, whether now existing or hereafter arising, and whether written or oral, are hereby limited so that in no event shall the interest payable hereunder (whether contracted for, charged or received by the holder hereof) exceed the maximum amount permissible under applicable law. If, from any circumstances whatsoever, interest would otherwise be payable to the holder hereof in excess of the maximum lawful amount, the interest payable to the holder hereof shall be reduced to the maximum amount permitted under applicable law; and if from any circumstance the holder hereof shall ever receive anything of value deemed interest by applicable law in excess of the maximum lawful amount, an amount equal to any such excessive interest shall be applied to the reduction of the principal hereof and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal hereof such excess shall be refunded to the Borrower. All interest paid or agreed to be paid to the holder hereof shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full period until payment in full of the principal (including the period of any renewal or extension hereof) so that the interest hereon for such full period shall not exceed the maximum amount permitted by applicable law. This paragraph shall control all agreements between the Borrower and the holder hereof.

Notwithstanding anything to the contrary in this Note or in the Loan Agreement or the Mortgage, from and after the Project Completion Date, the personal liability of the Borrower and each person who holds a direct or indirect ownership interest in the Borrower, and the respective officers, directors, managers, partners, trustees, agents, employees and affiliates of Borrower and such owners (collectively, "Borrower Related Persons") shall be strictly and absolutely limited to the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof and any other collateral securing the Loan, except as provided in paragraph (b) herein below. No one may seek any judgment, whether for a deficiency or otherwise, against the Borrower or the Borrower Related Persons in any action to foreclose, to

exercise a power of sale, to confirm any foreclosure or sale under power of sale, or to exercise any other rights or power under or by reason of the Mortgage or any other Loan Documents; provided, however, that nothing herein shall prohibit to the extent necessary judicial proceedings to foreclose the Mortgage or other Loan Documents or to the extent necessary a judgment or decree of specific performance of agreements and covenants under this Note or the Loan Agreement (or the exercise of any remedy available under the Regulatory Agreement, other than a remedy for the payment of principal and interest on this Note, if any), other than Loan payment covenants. In the event any suit is brought on this Note or the Loan Agreement, or concerning the Loan or any amount secured by the Mortgage or other Loan Documents as part of judicial proceedings to foreclose the Mortgage liens and/or security interest, or to confirm any foreclosure or sale pursuant to power of sale thereunder, or to exercise any other rights or power under or by reason of the Mortgage or other Loan Documents, any judgment obtained in such suit shall constitute a lien on and will be and can be enforced only against, the property encumbered by the Mortgage and other Loan Documents, and the leases, rents, profits and issues thereof, and not against any other asset of the Borrower or the Borrower Related Persons, and the terms of such judgment shall expressly so provide.

Notwithstanding the preceding paragraph, or anything to the contrary in the Loan Agreement or any other Loan Documents, the Borrower, shall be personally liable for, and the Issuer and the Trustee shall have the right to seek a judgment for money damages (including a deficiency judgment) to enforce, payment of:

- (a) The Issuer Fee, the Trustee Fee, the Financial Monitor Fee and the Servicer Fee and reasonable extraordinary costs and expenses, including, but not limited to, the payment obligations of the Borrower under Section 4.13 and Section 5.03 of the Loan Agreement and reasonable legal fees and out-of-pocket costs and expenses of Bond Counsel, counsel to the Issuer and Counsel to the Trustee incurred in connection with the interpretation or enforcement of the Indenture, the Loan Agreement or the other Loan Documents;
- (b) Indemnification under ARTICLE VI of the Loan Agreement; provided, however, said indemnification provisions shall not be deemed to create any personal liability of the Borrower or the Borrower Related Person for the payment of principal, premium, if any, and interest on the Loan;
- (c) [Reserved];
- (d) Intentional misapplication of Project rents, profits and issues following any payment default in payment of principal or interest on the Loan (without regard to the expiration of any cure period, if any) to the extent misapplied;
- (e) Liability for intentional waste (provided however, it shall not be waste if the Borrower fails to restore or repair the Project or any part thereof after any damage, destruction, or partial condemnation notwithstanding the availability of insurance or condemnation proceeds), destruction or damage to the Project or any part thereof on the part of the Borrower, the Borrower Related Person or the Project Manager;

- (f) Tenant security deposits, to the extent not properly accounted for, or prepaid rent, to the extent misapplied;
- (g) Misapplication of any Condemnation Award or Insurance Proceeds;
- (h) Fraud or intentional misrepresentation, willful misconduct, or criminal activity;
- (i) Any obligation to pay a premium on the Bonds in the event of a redemption resulting from a Determination of Taxability due to the actions or inaction of the Borrower, as provided in the Indenture;
- (j) Any damages suffered by the Issuer, the Trustee or the Bondholders (or any of them) because of a transfer of the Project in whole or in part in contravention of the Loan Documents, or the occurrence of a Determination of Taxability because of the action or inaction of the Borrower or any party within its control; and
- (k) Any brokerage commissions or finders' fees claimed by any party in connection with the Bonds, the Loan or the Project.

All of the foregoing obligations shall bear interest at the Default Rate from the due date thereof (or, in the case of liability and indemnification for removal or cleanup of environmental hazards, from the date demand for payment thereof is made) until the date paid in full.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA WITHOUT REGARD TO THE CHOICE OF LAW PRINCIPLES THEREOF.
